You've voted, you've written and emailed in, and we have a winner. Turn to page 33 now to see who won our Girl of the Year competition. Okay, it has been somewhat overshadowed by The Oscars, and events in Ukraine, but in our office the talk has been of nothing else. Well, apart from who won the game of darts at lunch. And what happened in *The Bridge*. And the new series of *Game of Thrones*. But apart from those things, it's been the number one topic. Honestly...

Dear Club,

My best friend Annabel is a lesbian, and, whilst I am happily married, she had always joked that I could be 'converted'. She insisted that once a woman had gone down on me that there would be no turning back. Annabel has always been free and single, and whilst I had never really thought about other women until we met, her stories of what she gets up to with the girls she pulls have always turned me on. Some of the activities are the same, let's be honest! I'm writing to tell you about when I finally cracked last month, as it was definitely an experience worth sharing.

She was giving me one of her typically vivid descriptions of what she did with her most recent conquest, when for some reason I said what I was thinking by muttering, "She must have enjoyed that." Annabel was stopped in mid-flow, and looking at me naughtily, replied, "I've always said you can find out if you want to." It didn't feel strange at all her saying this, as I knew her so well.

"Alright then," I answered with a heightened anticipation in my voice and lay back on the sofa. She moved towards me and without speaking, fixed her eyes on my mouth, then down to my chest and finally to my crotch. Annabel had adopted a wild look in her eye that I had never seen before, as she undid my trousers and dragged them over my hips. Her delicate fingers threaded my panties down my legs, and I could see my tummy quivering with anticipation.

I parted my legs and she ran her tongue along my left thigh, then my right. My pussy felt so exposed and the moment her soft lips touched it, my thighs instantly clamped together around her face. Relaxing, I allowed her to push them back apart as she began to lick my cunt lips ever so gently with the tip of her tongue. The sensation was incredible, and she began pushing my lips open, moving her tongue side to side. She then squirmed the length of her tongue as far in as it could go, as her fingers splayed my cunt open. I found myself gently pushing back, as she probed my entrance. Dragging her tongue upwards she settled on my pulsating clit, and replaced her tongue with a finger inside me.

My pussy was soaking now, and Annabel knew just how to keep an intense sensation going, never once moving from my swollen button. I began to force my pussy against her face, as another finger slipped into my arse,

TOP OF THE CLOPS!

Dear Club,

Thanks for the great mag. My votes for the Girl of the Year are below:

Top 3:

1 - Candice - edges top spot thanks to the best bum of the year!

2 - Anneli

3 - Tiffany

However as an avid reader I took my vote seriously and spent an evening looking through the whole volume. My favourite girls of each issue are below, with special awards from me:

Issue by Issue

Issue 1 - Mia

Issue 2 - Bree

Issue 3 - Natasha - definitely the cutest girl of 2013. Would have been my girl of the year if she'd shown us her pussy!

Issue 4 - Tiffany

Issue 5 - Anneli

Issue 6 - Natalia

Issue 7 - Frida

Issue 8 - Stella

Issue 9 - Faye - best pussy of the year

Issue 10 - Tessa - so close to the top three, and the best boobs of the year.

Issue 11 - Candice - best bum of the year.

Issue 12 - Clover

Issue 13 - Holly

Speaking of Holly in issue 13, the Teenage Licks feature started off brilliantly, but the last two have been a bit different in style. I'd love to see more 'butter wouldn't melt' girls like Holly in future as she is perfect for this feature, and though I wouldn't want to see *Club* become a teen mag this feature is one I'll look forward to in future issues! All the best in 2014 and the rest of Volume 43. Michael, Birmingham

Well, the votes are in - check page 34 for the run down. And cheers for the issue by issue breakdown, Michael, it's good to know who floats our reader's boats. Great call on Candice, we loved her, but sadly yours was the sole vote for this cutie!

ROCK ON TOMMIE!

Dear Club,

Fuck, what an issue. Anneli and Conny are two of my all-time favourite girls, and Sophia Knight never fails to give me a stiffy. But the Tommie-Jo pictures were the best I've ever seen of her. She looks like the kind of girl who wouldn't normally open her legs, but the fact that she's fit as fuck and dirty tops it all off. I think she'd be the perfect regular girl for *Club*, but then so would Anneli, Conny and Sophia!

Joe, Otley

We were proud of that issue, Joe, and it was a real tussle over which of those amazing girls was going to get the cover, but we were so chuffed with the Tommie-Jo pics it had to be her. We're steering clear of having a 'Club girl' at the moment, if only because the last two we were going to invite to join that hallowed club promptly stopped modelling!

my sphincter gripping it tightly. The intensity with which she worked at both holes, and the rhythm she created as she tongued my clitoris, was like nothing I had ever experienced before. She wasn't waiting for something else, she was just eating my twat like it was the best thing she had ever tasted.

She suddenly commanded, "Cum on my fucking face now, you little straight bitch!" before clamping her mouth over my mound. I came with a shudder so big that I had to wrap my thighs back around her face to keep my cunt against her lips. Her tongue was back in my hole, getting everything, and when it had subsided, she rose from between my legs glistening with my juice.

She knew that she had convinced me about what women can do for each other, but I told her I still loved a fat cock inside me. She simply replied, "No problem, I'll bring the strap-on next time." I'll tell you about that another time!

LOLA ♣

She is a showgirl...

Lola returns to *Club* by popular demand, with several readers demanding another sighting of this diminutive sex-doll, and some of them questioning our sanity in not having this girl in every issue. We'll let Lola herself explain.

"I haven't been posing for photos," the Euro babe reveals, "because I've been a bit too busy with my hardcore career. I've been doing lots of lesbian stuff and a little bit of boy/girl as well. If you know where to look, you can see me doing some pretty rude stuff. And I enjoy it so much I'm going to do a lot more!"

Formula One Grand Prix Season

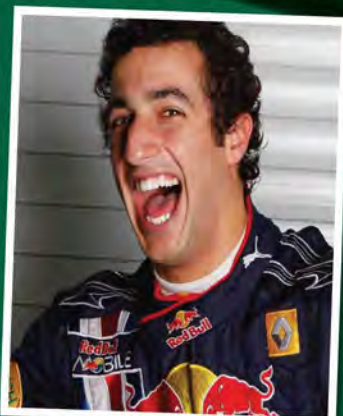

Australia & Malaysia
March 16th & 30th

Formula One is back and the race is on to see if anyone can escape the exhaust fumes of German speedster and four-time on the trot world champion Sebastian Vettel. Unsurprisingly, the man they call 'Super Seb' is the bookies favourite to take yet another drivers' title, but his rivals have at least been given a glimmer of hope after Team Red Bull endured a disastrous first round of pre-season tests – technically speaking the car kept 'conking out' meaning Vettel and new teammate Daniel Ricciardo could only muster a handful of laps. Mercedes fared significantly better, despite Lewis Hamilton crashing their newfangled car, and Ferrari impressed with star pairing Fernando Alonso and Kimi Raikkonen riding high atop the prancing horse. Williams

and Force India have been the surprise early pacesetters, suggesting that they might rise above mid-table mediocrity in 2014 and provide some extra competition for the big boys.

The hot topic for this season, however, is the fact that scrappy billionaire terrahawk and sometime Formula One tinkerman Bernie Ecclestone has been pissing around with the rules again in a bid to try and make the sport watchable. And the result of his pissing around? Double points will be awarded for the final race of the season, meaning that Vettel's rivals might actually have a cat in hell's chance of catching him when things wrap up in Abu Dhabi. It also renders the whole shebang a bit of a sham as a genuine contest, but Bernie doesn't seem too fussed about that, suggesting he might roll out the idea to three races for 2015.

Although the British challenge

is likely to be led by Lewis Hamilton in the Mercedes and Jenson Button for McLaren, after impressing in his rookie season last year Max Chilton will be setting his sights on securing Marussia's first score in Formula One – the hopeless Banbury-based outfit have so far managed two seasons without a solitary point. Perhaps 'Super Seb' Vettel could loan them some of his...

The US Masters

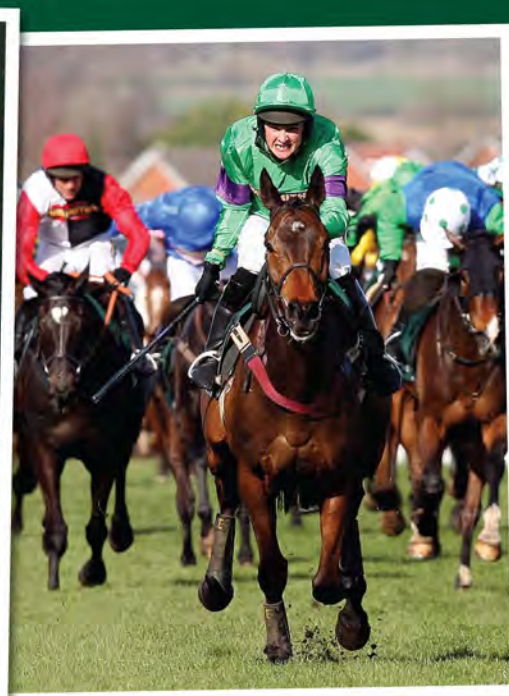

Augusta National Golf Club
April 10th to 13th

The first major golfing tournament of the year is arguably also the most challenging of the four, with pitfalls aplenty awaiting the unwary on the famously tricky Augusta National course. Almost every hole offers a serious test of wits and judgement, and at the heart of it all 'Amen Corner' is widely acknowledged as being one of the most exciting, perilous and iconic stretches in the sport, with the eleventh

hole a ridiculously long par four featuring rough aplenty and a pond for good measure, and the par three twelfth involving a fiendishly tough shot over water that has sunk many a contender's hopes in the championship's seventy year history. Indeed, few fans will have forgotten Greg Norman floundering around here during a disastrous final round that saw him throw away a six shot lead to Nick Faldo back at the 1996 Masters. Rory McIlroy endured a similarly spectacular meltdown across the treacherous territory of Amen Corner in 2011 when he threw away a four stroke advantage and ended up finishing ten shots behind the leader. Capitulations at Augusta can be very costly.

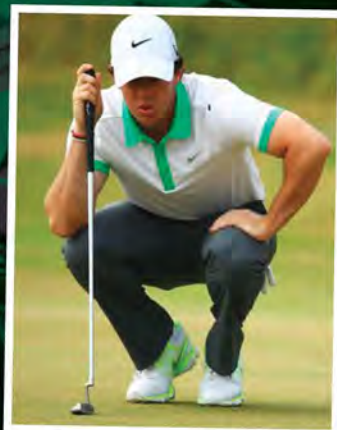

No wonder then that winners of the Masters require a cool head and metaphorical balls of steel, something that Tiger Woods is renowned for if we overlook that little blip when he ran amok with some prossies and drove his car into a tree in his front garden. Woods has donned the famous Masters Green Jacket four times and he's favourite to slip on a fifth this year after battling his way back to the top of the world rankings after said overlooked little blip. Indeed, despite having fourteen career major wins under his belt Woods hasn't won one since 2008 and it's surely only a matter of time before he puts that right.

Last year's Masters champion,

Australia's Adam Scott, will be looking to become the first back-to-back winner of the tournament since Woods himself did it in 2001 and 2002, and Sweden's Henrik Stenson is the epitome of a Mr Consistency, spending a couple of years ranked in the top ten and coming within a whisker of winning his first Majors at the British Open and the PGA Championship in 2013, finishing second and third respectively.

There was a time not too long ago when you could barely swish a sand wedge without hitting a British player in the top ten, but with Luke Donald and Lee Westwood having slipped out of the picture only Rory McIlroy and Justin Rose remain, the latter having scooped the US Open last season to chalk up his first career Major victory. McIlroy, meanwhile, is enjoying something of a return to form after enduring a slump where, to coin a phrase

oft used by legendary golfing commentator Peter Alliss, the popular Northern Irishman, "couldn't hit a cow's backside with a nine iron".

Whoever manages to negotiate Amen Corner best and strut up the eighteenth ahead of the rest will certainly deserve to pull on the coveted Green Jacket. As for the million dollar plus prize money I'm not really sure – it's a lot of dosh for hitting a little white ball around, no matter how well you do it...

The Grand National

Aintree Racecourse
5th April

Although the world's greatest steeplechase has cleaned its act up in recent years the race can still make for a pretty visceral and savage Saturday afternoon spectacle. There's the primal roar

of the crowd and the exhilarating cavalry charge down to the first fence followed by horses falling at wince-inducing angles and the lung-busting run-in to the finish line. Some call it a shocking display of cruelty to animals and others call it the ultimate sporting test. Me, I like to sit on the fence... The Chair if possible. You see, it's difficult not to enjoy the intense thrill of the National, tempered by feelings of guilt as yet another horse clatters heavily to the turf – especially if it's the

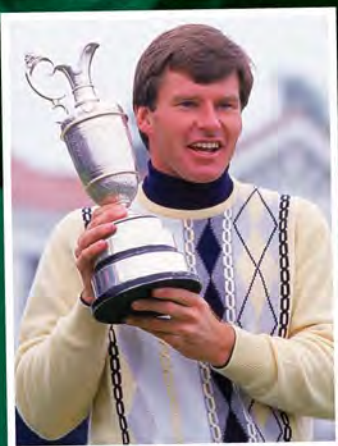

“Some call The Grand National a shocking display of cruelty to animals and others call it the ultimate sporting test”

one you spunked the wife's housekeeping on.

At the time of writing last year's Grand National third Teaforthree was the bookie's favourite after an encouraging prep-race at Ascot, with the Welsh Grand National third Tidal Bay second best after he was given a lenient weight for Aintree – important when you've got over four miles and thirty fences to negotiate. 2011 Cheltenham Gold Cup winner Long Run is arguably the class of the field along with Triolo D'Alene, who battled home in the Hennessey Gold Cup in November and also has pedigree over the big Aintree fences, winning the Topham Chase

at last year's Grand National meeting.

However, as anyone who has ever spent time trying to fathom out the winner of this most unpredictable of races will no doubt testify to, you're better off saving time and just picking the horse with the stupidest name – Shakalakaboomboom would suffice in this year's race – or simply sticking a pin in the paper, because let's face it, backing to win in the National is still a fairly ridiculous notion, despite the fact that people these days tend to refer to it as a genuine race rather than a massive equine pile-up. Whether they're right or not, well, I'm still not really sure... ♣

RATINGS:

★ DAVID MOYES ★★ TOMMY DOCHERTY ★★★ RON ATKINSON ★★★★★ MATT BUSBY ★★★★★ ALEX FERGUSON

Assassin's Creed IV

Ubisoft, PS3, PS4, 360, Xbox One, PC, from £20

The *Assassin's Creed* series of games have been a huge success for Ubisoft, but they've often been silly and ludicrous. This reached a peak with *Assassin's Creed III*, where we lost patience with the games' attempts to create a convoluted backstory that made literally no sense and just dragged the game down.

Black Flag, however, does a great job of rebooting the whole kit and caboodle. It ignores most of what has gone before and instead merely concentrates on being a hugely fun game. You can engage with the storyline here if you like, but it's much better to enjoy being Edward Kenway, a scoundrel on the high seas. There's an over-arching objective, but happily you can put that aside and just do missions, travelling from port to port, engaging with and attacking other ships, killing and robbing on missions that range from all-out attacks to stealth-based affairs.

You can spend days distracting yourself here. Plundering on the high seas, diving wrecks for treasure, improving your ship's weaponry, evading the authorities and raiding warehouses. The multi-player features are good too, with mini-games where you can hunt each other, hunt together and hide from each other, but these are distractions from what is a very accomplished single-player experience. *Assassin's Creed* is back on track.

★★★★★

Delicatessen

(Studiocanal, Blu-ray £13.04)

Comedy doesn't come much blacker than the scabrous vein of it that runs through Jeunet and Caro's breakthrough film. The colourful whimsy that we know from *Amélie* is present and correct, but with a darker tinge as circus performer Louison moves into a house of misfits owned by a butcher who wishes to feed him to the other tenants. That's the plot in short, but it doesn't do justice to the unique world of *Delicatessen*, where every room is a story in itself. Films don't come more French – it's safe to say that people who love Jason Statham films probably won't have much time for this. Their loss.

★★★★★

Gravity

(Warner Home, DVD £9.99, Blu-Ray 3D £17)

If you didn't see *Gravity* at the cinema – ideally in 3D iMax – then you might feel you've missed out on an experience. And, it's true, Alfonso Cuarón's Oscar magnet of a technical achievement is diminished somewhat on a smaller screen. But this isn't just a theatrical experience, it's an emotional one as well, and this impact is not lessened one iota. Home viewing allows you to appreciate afresh Sandra Bullock's towering performance (a sentence we never thought we'd write) rather than just focussing on the technical innovations, stunning as they are.

★★★★★

Dead Of Night

(Studiocanal, DVD £11.62, Blu-ray £13.44)

Portmanteau films were once the rage, and Amicus and Hammer had great success with them. Ealing's entry into the genre is perhaps the best, four fine directors crafting a bunch of stories that induce a chill and are packed full of fine British character actors. The restoration is sensitively done, and the 75 minute documentary about the film a real bonus. ★★★★★

Thor: The Dark World

(Walt Disney, DVD £10, Blu-ray £13, 3D £18)

Thor matches Iron Man as one of the more preposterous Marvel heroes, and there are plenty of laughs peppering the action in this likeable sequel. An unrecognisable Christopher Eccleston is the big baddie, Chris Hemsworth a fine, tongue in cheek Thor. The Marvel juggernaut rolls on. ★★★

You're Next

(Lions Gate, DVD £10, Blu-ray £13)

Another home invasion horror movie? No thanks. Oh, wait, this is actually bloody good. A family reunion in the countryside takes a nasty turn when a bunch of interlopers in animal masks start butchering them. So far, so rote, but director Adam Wingard has enough tricks up his sleeve to keep the tension high, and a brilliant, breakout female lead in Sharni Vinson. ★★★★★

book club

The Bookshop

Penelope Fitzgerald (Fourth Estate, £7.99)

Fitzgerald's Booker shortlisted novel is a slender affair, but packs so much in. The late author was a master of mood and humanity, and this story of Florence Green attempting to open and run a bookshop in a tiny Sussex town captures so much about the English. It might seem gentle, but in fact it's piercing, coruscating stuff, packed full of characters drawn from life, captured in deathless prose.

The Farm

Tom Rob Smith (Simon & Schuster, £12.99)

Best known for his smash hit *Child 44*, Tom Rob Smith has refound his form after a couple of so-so efforts. A psychological Scandi-thriller, *The Farm* finds Daniel flying out to visit his parents, torn between the two of them when his mother is committed to a mental hospital and his father embroiled in a conspiracy. It's a twisty thing, and hard to put down, but never opts for cheap thrills when it can deliver depth.

The Other Typist

Suzanne Rindell (Penguin, £7.99)

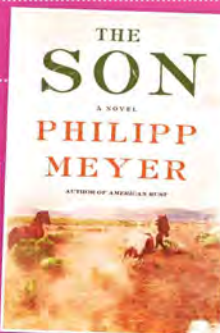

Suzanne Rindell has had the kind of success with her debut novel that first-time writers dream about. It's not entirely undeserved, and her depiction of the 1924 Prohibition-era friendship between typists Rose Baker and the mysterious Odalie has its strong moments. But its main weakness is that New York itself overshadows all other characters.

The Son

Philipp Meyer (Simon & Schuster, £14.99)

One of the finest recent American novels, *The Son* is about The McCulloughs, seven generations of them, and how they conquered the American West. It's also about what that cost them, with a tight focus on three family members. Meyer at times channels McMurtry and McCarthy, with brutal scenes giving way to lyricism. Ultimately, however, the strongest voice is definitely his own. ♠

Classic Corner

The Killers

(Arrow Academy, Blu-ray £16.13)

Don Siegel's movies – *Dirty Harry*, *Invasion of the Body Snatchers* – can be seen as right-wing films. *The Killers* is no different, but even us lefties and liberals are united in our appreciation of this lean, taut thriller. Lee Marvin, Clu Gulager and Angie Dickinson give top notch performances, the dialogue is rich and gamey, the action amoral from start to end. A decent transfer too, doing justice to this ripe adaptation of a Hemingway story. They don't make 'em like this any more.

Amazon Kindle Fire HDX 8.9

Amazon.com

Tablets become ever more confusing but, equally, there has never been so much choice. Whether you're a Kindle fan or not depends on many factors – not least Amazon's pretty questionable treatment of publishers in their rush to be as cheap as chips. This comes in a little cheaper than the top end iPads, but you can see why – it's a little smaller, and doesn't have the quality feel you get from an Apple product. The Android interface has an overlay that confuses matters further, leading us to the inevitable conclusion that the only people who can love this are people who already love Kindles. It won't win many converts.

Pros: Excellent battery life, portability.

Cons: Apps are weak.

£269

Apple MacBook Pro Retina 13in

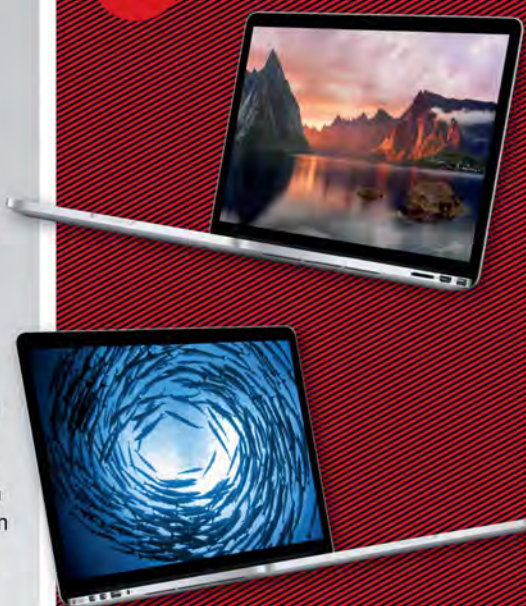

apple.com

While the PC market is having a rough old time – despite there still being more bang for the buck in a PC than you'll ever get from a console – Macs go from strength to strength, although you do wonder how much longer Apple can get away with these incremental improvements. This has a fantastic high definition display, the latest Intel processors and OS X, meaning it is faster and more beautiful than last year's iteration. But you pay for that, of course, and this 13in version doesn't leave you much change from £1500 quid.

Pros: Screen and battery life are market leading.

Cons: Expensive, no ethernet port.

£1,499

Canon Legria Mini

canon.co.uk

With 'selfie' a word that is now in such common usage that your granny is probably using it, it's not very surprising that tech companies are moving to accommodate people who want to capture their every pout in HD. This camcorder design is nothing if not original, and built for these self-obsessed times with its wide angle lens, flexible display and foldable screen. There's no excuse for not capturing yourself in all your glory. There are some downsides – there's no optical zoom, you can't plug a mic in and you can't stream from it, even though it has Wi-Fi functions built in. But in terms of innovation, this is a game changer.

Pros: Better quality than smartphones for narcissists.

Cons: Lack of zoom or streaming. ♣

Brett might play hard ball when it comes to bed time – “I’m very demanding!” she says – she’s still a girly girl when it comes to dressing and decorating.

“As a man, you’d hate my place,” she giggles. “Everything is pink, from floor to ceiling. I even have a pink couch and a pink TV. It’s not a place for men. Although, strangely, the ones I invite back to be with me don’t tend to complain too much about it!”

And why might that be?

Which girl did Club readers vote as their favourite from 2013? It's an all-blonde top three...

We've never had such a wide range of votes for winners in our annual Girl of the Year vote. And that tells us that we're doing something right and delivered more girls that you love than ever before. There were votes for Candice, Holly, Megan, Ashley, Tiffany Thompson, Jenny Laird, Nina Leigh, Mia Malkova, Malena Morgan, Mila, Sasha, Bree and others. But in the end it came down to three – all blonde, to boot. Last year's fourth place choice Sophia Knight moved into the top three (and we've got a stunning lesbian set of her lined up for next month), while last year's top two swapped places, with Dani as runner-up and perennially popular Anneli claiming the crown. You can enjoy both girls over the next few pages, and you'll be seeing lots more of them throughout 2014! ♠

Crime Of Passion

(Wicked)

It might be physically impossible to devise a more hackneyed title for a Wicked couples film than *Crime Of Passion*, but that doesn't change the fact that there are few better sights in life than Stormy Daniels unleashing her tits before sliding to her knees to suck a hard cock. She's the main attraction, but has stalwart support from gonzo queens Casey Calvert and Veronica Avluv. These two are known for intense anal scenes, and while there's none of that here, they bring an energy to their scenes you don't always get from studio girls. Add Kimber Day and Amanda Tate to the mix and it'd be a crime not to lose a load or three to this.

Russian Porn Queens

(Private)

Russia has become a big dog in porn recently – perhaps that's what happens in a country full of criminals masquerading as entrepreneurs and awash with vodka. Not that we're complaining – the girls are cute and take it in all holes. Kira Queen, Gina, Regina Presley, Ashley and Milana Fox are the Russkies in question, and they're reds in the bed and outdoors. There's anal, DP, no boobjobs and iron curtains opening left, right and centre. World war three? World war phwoar, more like... ★★★★★

Hacked

(Digital Playground)

It's always hilarious when porn studios try to tackle 'issues', and *Hacked – The Cyber Penetration* is risible in every plot point. But what it does have going for it is Kayden Kross, Stoya, Rikki Six and Ash Hollywood removing their clothes and then removing semen from men's penises. It's not a classic by any means, and the last scene is a bit of a let down, but Stoya and Kayden are always watchable even when they're painting a wall, and there's no painting going on here. Well, apart from the obvious... ★★★★★

GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

That Johnny Depp gets himself some nice birds, doesn't he? It's bad enough to live with Vanessa Paradis for years, but now he's engaged to Amber Heard, an actress who specializes in sharing her lovely blonde body with us all. She can act as well – although you wouldn't know that from *Drive Angry*, to this day the single worst film *Club* has ever watched. But with her topless roles in *The Joneses*, *Alpha Dog* and *The Informers*, we can forgive her that hideous film. Now she's got a famous bloke on her arm, we probably won't get to see her tits any more, so enjoy them while you can... ♣

TALKIN' BLUE

Got an experience to share? Then send it in to Talkin' Blue at the usual address and if it's up to scratch you'll bag yourself £50!

POLE TAX!

In June I had a hat trick of disasters, losing my job as an office manager in the city and then my flat and boyfriend – not a good month to say the least! Desperate times called for desperate decisions and I decided to head to the countryside to stay with my uncle. In return for managing his farm over the summer I could stay rent-free and earn some cash.

So the joys of Lincoln beckoned and I swapped my 4-inch heel, thigh-high, fuck-me-boots for some knee-bending wellies and got stuck into the farm. To my horror, one of my jobs was to manage the staff, which seemed to include half of Poland. I was responsible for picking up the workers from the local B&Bs and driving them to the fields. So at 5am, looking like something my boots had squelched in, I pulled up and beeped my horn.

My bleary eyes soon widened, though, as five gorgeous Poles clambered in the van. I was speechless – not that anything I could

have said would have been understood. I dropped them off and watched them getting busy on the land. It was a huge turn on. I could feel my pussy twitch and try to get my attention, but I had to get back to the office (well, barn!). The next few hours dragged by and as the sun came out I could imagine my sexy guys stripping off and getting all sweaty in the summer sun.

To my delight I was asked to drop off their lunches and as I pulled up, I caught the eye of one of the youngest blokes. His tanned body glistened with sweat and every nerve was electrified from my nipples to my cunt. As I watched them eating from a distance, my fingers found themselves slipping down my trousers and into my soaked knickers. It had been weeks since I'd had any fun and I was going to make up for it now! I rubbed my pussy lips up and down and my fingers became coated in my juice. Pulling down my knickers to give me some room, I put my feet

up my trousers and asked him if he knew the phrase, 'I'll show you mine if...' He didn't reply but just came right up to me, bold as brass, and pushed my blonde hair behind my ears. Moving even closer so that his body was in between my legs, he gently pushed me back onto the passenger seat and lifted my T-shirt up, exposing my bare stomach.

I was gasping with anticipation as he ran his fingers from my belly up, slowly across me, and around my nipples. I was still so worked up from my finger fuck I came again. Having embarrassed myself twice within five minutes, I sat up and promised him more time and attention the next day.

Back at the farmhouse I showered and relived my horny encounter. I had to pick the guys up in a few hours to take them home, so I knew he wouldn't have to wait until tomorrow. I was gagging to get him out of those work clothes and on top of me. Making my plans obvious, I swapped my overalls for

“**Soon my three best digits were deep inside me as I worked myself into a panting frenzy”**

up on the dashboard and rubbed my hard clit.

Soon my three best digits were deep, deep inside me and as I worked myself into a panting frenzy I came beautifully, my juice dribbling down my legs onto the car seat. I couldn't believe I'd just done that! Wiping myself clean I still couldn't take my eyes off him. Then, to my horror, he started to walk over to the van.

In a panic I tried to get my pants back up, but then my foot slipped out of my left trouser leg and I was stranded there half-dressed. Turning round with my face red as a beetroot I saw him laughing, arms folded across his fit body. Muttering, "Oh fuck – please don't tell anyone," I was shocked when firstly he understood, and then secondly replied, in perfect English, "Don't worry. I'll keep this to myself if you promise to give me the whole show!"

Giving him my dirtiest grin I slowly pulled

a low-cut vest and a pair of skinny jeans to show off my pert, peachy arse. I didn't bother with underwear – there was no time to waste! As I arrived in the fields all the guys whistled and cracked jokes in Polish (well, I think they were jokes, anyway!) I dropped them off one by one, until I was alone with my guy.

He climbed over into the front seat and as I drove back to my barn, his hand slipped in between my legs. Glancing over I watched as he became hard and I was desperate to fuck his brains out. I couldn't wait any longer and pulled over into the fields, tearing my clothes off. I wound his seat down, then ripped and pulled at his clothes, hungry for his cock. I wasn't disappointed. His gorgeous body was hot and smelled of the land. My pussy screamed at me in lust.

Lowering my body on to him until I couldn't take any more, I grabbed the head rest and started to ride him. His tongue darted between my nipples as one hand reached round my arse to guide me down onto him harder and faster.

His other hand reached in between our legs and rubbed at my clit until I fucked him too fast and he was unable to keep up. I switched positions so I was leaning back on the dashboard, my back and red raw arse facing him. His cock felt twice as big and I screamed with every thrust.

Before I knew it he slipped a finger deeply but gently up my arse. As I bounced up and down on his finger I couldn't hold back any more. It's unusual for me to cum before a fella, but this was the fuck of a lifetime. I screamed and gushed juice until I was completely exhausted.

As I collapsed in a satisfied heap I suddenly realised this was the second time today I'd cum leaving him high and dry. Now, I like to show good hospitality. After all, good manners count! So taking his pussy-soaked length in both my hands, I worked his beautiful, sexy cock. He, or should I say I, tasted darn good. And as I sucked, licked and wanked him until he was busting his balls to cum I looked up at him, wide-eyed, opening my lips wide and ready. He filled me to the brim with hot creamy cum and as I let it dribble down my chest I knew I'd been converted to a country girl and that I had one hell of a summer ahead of me!

Kate, Lincoln

SHAVE THEN STUFF!

Well, hello boys! I know what you're here for already, right? So let me tell you what I'm here for, so there can be no

“**Pump those fingers in and out, harder, faster, ram them into my cunt as hard as you can!”**

misunderstandings at all... as if you couldn't guess. I'm looking for a wild time. And I want that wild time to include you shafting me as hard and fast as you can. I want you to dig your dick into me as deep as it'll go. I want to be sore in the morning, but easy for now. I'm not going to let you fuck me straight away. Oh no. First I've got a little task for you.

Right then. Now you know where you stand, have I got your complete attention? I guess that bulge in your trousers is a 'yes'. Well, onto that little task then... Let me get out of these panties. There, what do you think of my quim? No – no touching yet, I like to keep my pubes in order, nice and neat. That's where you come in. You're gonna give them a trim. Here's a razor, the foam's over there. I just want you to take the bristles off that are around my outer labia. But the real challenge is, the razor can touch my pussy, but you can't! You've got to get that close; so close you can smell how much I want your cock inside me – but you can't touch.

I'll spread the shaving foam where I want you to shave. You're not allowed to touch, remember? Now then, you know how to shave right? Get on with it then! That's it. I'll stretch the skin for you so you can get into those crevices. Yeah, nice and gentle.

I like fucking with a clean-shaven pussy. Don't forget, it won't be too long before you can slide your throbbing, rock-hard cock into me. You still hard? Oh yes, you are. Just

because you can't touch me, doesn't mean that I can't touch you!

Mmmn... hey, I said you couldn't touch! Not that I'm going to complain now – don't stop touching right there. Wipe away the last of that foam so you can see what's going on. Oh, lick me, taste me, tongue my clit. Oh, fuck! You've turned the tables on me. That's it, run your tongue over my stiff little bud, swirl your tongue around it. Every time you run over it, there's a little electric jolt of pleasure.

Oh yeah – those jolts of pleasure are gradually getting bigger, better, you certainly know how to lick a girl. My clit's getting all this attention though, and my cunt is so hungry to be filled. No, don't stop licking! Ram a couple of fingers up my eager, wet hole! Uhh! Fuck, you're gonna make me cum. Pump those fingers in and out. Faster! Harder! Ram them into my cunt as hard as you can! My clit's burning now, it won't be long. Fuck, my knees are twitching. This is going to be big! Oh my God! I'm cumming now. Uh, yeah... uh... uhhhhhhh. Oh, man! That was fucking fantastic!

Well, now you've given me what I was asking for, don't you think it's time I returned the favour? Course it is! So what is it you like girls to do for you, huh? No, don't answer, I'll find out for myself. My, that is a beauty, all thick and veiny. Ribbed for her pleasure, right? I bet I'll be able to feel each one of

“How does it feel to have my hot cunt flesh pressed around your dick, my juices dripping on your balls?”

Ohh, that's it, pull me close to you, and feel my tits pressed against you. How does that feel? I love it when people pay special attention to my tits – it really gets my cunt juices flowing. Ah, you know how to take a hint, don't you? I love the feel of your hands caressing my boobs and brushing against my nipples. Ooh yeah, feel between my legs, wet aren't I? I want you in there soon... but not yet.

Nibble my nipples, that always makes me uncontrollable. Ohhhhh... just right. Not too hard, but enough to send a thrill through me. I don't think I can wait any longer to feel your dick entering me. I want to feel it part my pussy lips and ram right into me, now. Keep nibbling and licking my tits. I'll grab your cock and guide it home. There, it's resting against my cunt lips now. All you've gotta do is thrust it in... uhhl! You're in me now, in me to the hilt. How does it feel to have my hot cunt flesh pressed around your dick? How does it feel to have my pussy juice drip down your bollocks? If it feels half as good as it does to have you inside me, I'm gonna be feeling a flood of jizz deep in my hole soon.

That's it, start thrusting. I'll buck forward onto your dick as you ram into me. Go on, fuck me hard. The harder you fuck me, the bigger I cum! That's it, reach as deep inside me as you can, that way your cock tickles my G-spot. Go on, that's it, delve deep, I want to feel the powerful spurts of your spunk spill out inside me. Come on... uh, fuck, that's good. I'm gonna cum. Harder, faster! Ram it in! I'm cumming – oh yes. Oh yes! I'm there! Sweet fuck that feels good!

Now, come on, shoot inside me. Empty your balls in me! Feel me squeeze my cunt around your shaft. Feel it's hot, firm, wetness encase you. Uhhhhh, yes! Mmmmn, I can feel it spurting out inside me. God, I love the feel of hot spunk splashing against my cunt-walls. That's so fucking deep it feels like it's going to come out of my throat!

Now that was a fucking wild ride – you sure know how to show a girl a good time! Remind me to look you up again. Man, am I gonna be sore in the morning...

Eve, Edinburgh ♣

those veins with my cunt walls, later. Your helmet's so purple and shiny, it just looks so appetising there, standing erect, with a little drop of pre-cum seeping from your Jap's eye. I'll just lick that off for you. I see, that's something you like is it? You like having your dick sucked? Well, I suppose I could arrange for that to happen.

Now that is a meaty tasting cock. I wonder if I can fit all of it in my mouth and throat? I'll just slide down your shaft, inch by inch, and see. Not quite. That has made you quiver! Now what I'm gonna do is wank you into my mouth, letting my moist lips caress the rim of your helmet. When it's time for you to shoot your load, I want you to spunk all over my face!

How does that feel? Me wanking your spit-slavered shaft, and at the end of every stroke I take your helmet into my mouth and swirl

my tongue around it? No need to answer – I can feel by the way it's twitching at the base that it won't be long before I take a face full of your jizz. Now, I'm just lightly catching the edge of your cock head in my teeth. Good, huh? And I'm cradling your balls in my other hand, gently massaging them. I bet you won't be able to hold onto that spunk for much longer.

As your jizz shoots out I pull back and take the blasts of hot, salty cum to my face. Fuck! That is sooo dirty! There's jizz dribbling down my cheeks, chin, lips – shit, it's even in my hair. That is so filthy. You really are dirty, aren't you? But then I'm a dirty girl, so we go together just fine. I might go out with some spunk still in my hair later and see if I get any strange looks. It'll be a constant reminder of our moment of passion. Right now though, my cunt is hungry for your protein-rich spunk.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

TANYA'S TUSH!

Believe me when I say that cheating on Liz was the last thing I ever wanted to do. She's a sweet little thing and is almost perfect. The one thing I'd love to change about her is what she's like in bed. The truth is, she's boring. If I'm lucky, she'll let me fuck her on a Sunday morning and even then it's strictly missionary position, under the covers. There are weeks where I don't see her naked, which is a real shame as she's got a wonderful body and there are all sorts of naughty things that I want to do to it.

That was how I came to have sex with Tanya. Tanya is a receptionist at my gym and she made it abundantly clear that she would like to fill in for the lack of sexual service I was getting from my girlfriend. "My job is to make members happy," she'd said.

"Any chance of making my member happy?" I quipped.

"I'd do my best," she said, flushing prettily.

“My cock was aching to try, so I bumped the head against Tanya’s bumhole with my finger in there”

That offer became something of an obsession during my wank fantasies. I don't know how I came to admitting my problem with Liz but it was a thrill to admit to the wank fantasies which followed.

"Mmmm, sounds like fun," Tanya said. When a walking, talking wet dream of a girl says that she thinks you fucking her as part of your gym workout is fun, you really can't help yourself. "You'd be having a shower anyway, so Liz would never know. It's not as though she'd be able to taste my pussy on your lips afterwards." My heart beat a lot faster and my cock started inflating. We were standing at the reception desk and really shouldn't have been having that kind of conversation. "You'd have

to make sure you got all my lipstick off your cock, just in case she looked."

I was hard and in my gym attire there was no hiding that fact. "Goodness," Tanya exclaimed. "That swelling looks like it could be serious. Would you like me to take a look at it? I'm fully qualified." Tanya's pert tits, sweet arse and filthy mind meant she was

more than qualified in my mind and I let her lead me to the treatment room.

She flicked the sign to occupied and locked the door behind us. "Now let's have a proper look," she said, pulling my shorts down so enthusiastically that she nearly fractured my penis. Any pain was washed away the instant Tanya took my cock into her mouth. It had been months, if not years, since I'd had a blowjob and I was entirely incapable of resisting Tanya's enthusiastic sucking.

"Oh fuck," I groaned, as I came after only a few seconds and started pumping into Tanya's mouth. Her only reaction was to swallow repeatedly, as though I was providing nectar from the gods. As she finally withdrew,

there was indeed a red ring of lipstick around the base of my shaft.

"Make sure you wipe that off before Liz sees it," Tanya said, squeezing the last of the spunk out of my deflated cock. As soon as she was satisfied that I was finished, she jumped up, kicked her trainers off and pulled down her tracksuit bottoms. The tracksuit had been entirely shapeless but I wasn't surprised to see a pair of perfectly toned legs as Tanya sat on the examination table.

"My turn," she said, spreading those sporty legs to reveal a gorgeous pussy. My eyes were out on stalks; I'd never had a girl behave like this before. "If you're good, I might let you fuck me next time." I really didn't need any encouragement but the idea of fucking Tanya did have me scrabbling down between her legs and focused my attention on pleasing her. I spread her labia and smiled as I saw that the pinkness inside was shiny with sex juices. I wanted to taste her and ran my tongue up the length of her pussy from the dark hole of her vagina right up to her clitoris.

"Fuck, yes!" Tanya exclaimed, as her fingers gripped my head and pushed my mouth against her pussy. I sucked and licked with all the enthusiasm I was feeling. Liz had never let me lick her pussy in all the time we'd been together, despite me practically begging to do it.

"Use your fingers. I need something inside me." I unleashed a flurry of tongue-jabs on Tanya's clitoris as I eased two fingers into her slippery hole. "Oooh yes, just keep doing that," Tanya instructed, and I did as I was told – except that I started rubbing my thumb against her arsehole. Tanya didn't say anything but I could feel her body pressing down. Was she trying to get my thumb into her arse? I pressed harder and heard an excited moan. Tanya's juices provided just enough lubrication and it went in. "Oh fuck!" she squealed, in a voice which was an octave higher than it had been.

Tanya's hips detached themselves from the table and started to dance against my mouth. "You're going to make me cum," she groaned, just as a gush of liquid filled my open mouth. I rode her hips, trying to ignore the pain of her fingernails digging to my scalp. At least Liz wouldn't see any marks there.

"Good move with the thumb," Tanya groaned, not moving from where she was slumped on the table. "Really good." I stood up, thinking that the session was over. Tanya looked at my crotch. "Now I can't let you go out there with that bouncing around. We'd be sure to get some complaints." Tanya was smiling as she eyed my erection. I moved up the room and offered my cock to Tanya's mouth. She wrapped her hand around the

shaft and caressed it gently. "I think I'd like to feel this in my arse," she said, as though it was something entirely normal.

I swallowed. "Your arse?" I whispered hoarsely, thinking that I must have misheard. "There's some muscle rub you can use," Tanya said, rolling so that her front was pressed against the table with her bum high in the air. It was like a soap dispenser and I looked at myself in the mirror thinking what a lucky bugger I was as I squirted it on my hand and coated my cock.

The faint crinkle of Tanya's arsehole was barely visible as I moved in behind her. She jumped as I smothered it with cold gel. Would she really let me stick my cock in her bum? I started with a finger, feeling her muscles clenching as I pressed it deep inside. It looked fucking hot and I desperately wanted to do that with my cock. My cock was aching to try, so I bumped the head against Tanya's bumhole while my finger was still in there. "Do it," Tanya instructed and I extracted my finger and pressed in hard, guiding my cock with my fingers and thumbs.

I'd never had anal sex before and was surprised by how difficult it was to penetrate Tanya's arse. The lubricant meant that my cock slipped in every direction other than in and it wasn't until Tanya took over that I finally managed to force my cock into her arse.

When it did go in, it went in with a whoosh, right down to my ballsack in one go. Tanya gasped. "Fuck, that's tight," she groaned. "I've never had a cock as big as yours in my arse before."

I couldn't stop looking at where my cock was buried in her bottom. I never thought I'd get to have anal sex and tried desperately to commit every detail to memory in case it didn't happen again. Tanya pulled herself forward, exposing more and more of my shaft between her lovely buttocks and then eased herself back, hiding it once again. The view was spectacular. I pulled my cock back, mimicking the speed of Tanya's movement and then eased it back into her. "Mmmm, that's perfect," she said. "Just fuck my tight little ass like that."

I did exactly as I was told, simply easing my grateful pole in and out of Tanya's arse exactly how she wanted it. It wasn't enough to make me cum but I knew that the memories would give me more and harder orgasms for the months and years ahead. It was a good job I'd cum from the blowjob before, otherwise I'd have lasted seconds. As it was, I could now enjoy the tightest ride of my life. Tanya rubbed her pussy and as her

back arched, I was treated to the entirely new sensation of having an orgasming arsehole clenching wildly around my cock. I got myself very close, but couldn't quite get myself off, so pulled my cock out and wanked myself until I sprayed my load right onto Tanya's winking arsehole.

"That was... perfect," Tanya said, searching for the word. "I've never really enjoyed anal sex before. Has Liz ever let you?"

"No," I said. "Liz doesn't really let me do anything."

"Well, I'll let you do anything," Tanya emphasised the last word. "We could make it a regular part of your workout routine, if you want?" It wasn't really a question that needed answering.

JESSE &

CHLOE ♣

Making a splash...

Club has never been very good at flying. There's a lot of alcohol and a fair bit of Valium involved in getting us onto a plane. But these things are a whole lot easier when there's a carrot being dangled, and the carrot(s) at the end of this trip were Jesse and Chloe fucking each other in some water. That's enough to get us to circumnavigate the globe, to be honest. And while those two went at it, noisily slurping and making each other cum, we sat there with a big old hard on. After all, you can't have a carrot without a bit of stick as well, can you? ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

BASSED OFF!

What is this, the 90's?

Who needs professional burglar deterrents when you could you pop a Big Mouth Billy Bass on your wall? He sings the delectable *Take Me to the River* – now what thief faced with that wouldn't create his own river and run?

The authorities in Rochester reported that an intruder who attempted to break into the Hooked on Fishing bait and tackle shop was spooked by a motion-activated singing fish and fled the scene before taking anything. Sounds fishy to us.

A BITTER KISS!

The TOWIE girls make-up was getting out of hand!

A Parisian jewel thief has been apprehended after he made the mistake of showing a glimmer of compassion. The 20-year-old, referred to only as 'J' and his accomplice, reportedly followed a 56-year-old jewellery store employee home, where they proceed to tie her to a chair, pour water over her head and, pretending it was petrol, threatened to burn her alive if she didn't divulge the store alarm code. Needless to say the women talked and after untying her the thief planted a kiss on her cheek in recognition of her ordeal. Police swabbed the women's cheek and – hey presto! – a few months later a DNA match came up trumps!

PARCEL POOP!

Today's job market is over-crowded and competitive but a 58-year-old St. Louis man thought it was just plain crap. Jevons Brown reportedly sent packages of cat's mess to his prospective employers via U.S Mail, one can only assume as a literal interpretation of how he felt. The packages were traced and Brown received two years probation, as he had no former record. This sheds a whole new light on the ethos 'Waste not want not'.

Cats: All of them are cunts.

SUPER-WUSS!

Putting on the costume apparently doesn't make the man as a dream team of Darth Vader and Superman chickened out of some real life crime in action.

An unidentified man smashed in the windows of a cop car whilst shouting, 'I love Jesus!' on the Hollywood Blvd, Los Angeles before stealing a laptop from the vehicle in broad daylight.

Superman and Darth Vader looked on from the El Capitan Theatre where people often

dress up for photos, earning tips (Christ, is that an actual thing?). Police eventually took the suspect down on Susan Lucci's star, on the Hollywood Walk of Fame. BAM!!! ♣
